

NOTE

On the schedule view, when any SFU group’s schedule is finished, the new SFU group will be replaced and showing green color texts at the first day. And the new SFU group keeps showing black color texts till the end of the schedule. Red text on the schedule view represents the promotion. The schedule view is showing every SFU groups’ schedule at a glance for users. The schedule view is activating weekly and able to arrange by a single unit that enables to see/check one unit among many units.

NOTE

When the screen is changed to the calendar view, each day shows every SFU groups activating on the day. Each day square is able to show maximum 4 SFU groups, so rest of SFU groups will be shown when users click 'xx more +' button. On the right side, there are three windows representing each type such as Content, QR Code and Text-on-Top.

Each SFU group has dropdown that shows the schedule of Content, QR code and Text-on-Top belonged to the SFU group. Once users click "xx more +", the modal window pops up and shows every SFU group activating on the day, and each line of SFU group has a dropdown menu showing the schedule of each type. And Each SFU group is linked to "Edit" page when users click the button and shows every type's schedule.

PREVIEW EDIT

NOTE

On calendar view, when users click blank space of the type window, it highlights the day activating each type. There are so many SFU groups on each day. When users want to find a SFU group they want, It's not easy to find right away. Through the highlight option, users can see each SFU's activating day at a glance.
